

Standing and Ad-Hoc Committees of the Association

The President at the recommendation of the Nominations Committee appoints a Chair for each committee according to the rotation schedule. The President and the Executive Committee established the initial rotation schedule to begin with the 2013-14 terms. The schedule was revised and updated by the Executive Committee in 2016 and must be extended by future Executive Committee members. This rotation schedule assures that terms for the Committee Chairs are staggered. The President appoints a Vice Chair to serve during the final year of the Chair's term with the understanding that the Vice Chair will assume the duties of the Chair at the end of the Chair's four-year term. (ME-8/2013); (FL-5/2016).
